How to E-File in Odyssey Step 2: Register to E-File

E-filing Steps

Register to e-file

Before you can electronically file (e-file) your court documents, you need to create an account.

NOTE: if you have created an account in any Illinois Electronic Filing Service Provider (EFSP) you do NOT need to create another new account, but you can go directly to sign in. This instruction guide only contains information for e-filing in the Odyssey EFSP.

Service Providers

Electronic Filing Service Providers (EFSPs) are welcome to participate as a partner in the eFileIL initiative. EFSPs are able to offer their solutions to Illinois filers, adding value and utility that enhance the e-Filing experience to all active courts. EFileIL consists of a single electronic filing manager service (EFM) which connects with all certified EFSPs and integrates with each court's CMS. EFSP and CMS partners are required to be certified with their integration to the central EFM to ensure filings and documents are using the established standards and e-filing occurs in a uniform manner. Below is a list and active links to all EFSP partners that are certified to file through eFileIL. The comparison chart offers a brief summary of the features, costs, and contact information for each EFSP.

Currently, there are a number of EFSPs working to become certified with eFileIL and we expect the number of certified EFSPs to increase in the coming months.
